Whats in a mounth?
Mouth and Face Games
Playing music with your face
Help him tolerate frustation better
Managing his unmanageable feelings for him
Giving child sense of emotinal containment
Help him make sense of his/ her experience
To help child symbolise
Extend his symbolic play
Lending him your mind
Reminding him that he could stop and do something different
Boumdries
Helping him to remember
'Tugging' on his mind
Treating signs of life 'as if' they were intentional communications
Help child mentalise
Holding on to common sense
Not getting panicked by his panics
